

Regenerating Places of Faith

A workshop for Winnipeg communities

Saturday, November 3, 2018 8:30 AM to 4:00 PM

Optional Building Audit session, Friday, November 2, 1:00 – 3:30 PM

Crescent Fort Rouge United Church, 525 Wardlaw Ave, Winnipeg

Places of faith anchor and shape our communities. Yet many congregations are facing declining attendance and insufficient funding to maintain and operate their historic buildings. These important community assets are in a period of transition across the country, and the Winnipeg area is no exception.

What is their future? How can they continue to contribute in a positive way to their communities?

Whether it is to keep their doors open through collaborations to generate new revenue streams, making strategic real estate decisions, or meeting community needs under a new ownership structure, the future of these places depends on urgent collaboration among faith group leaders, community organizations, elected officials, the heritage and business communities, universities and more.

Join us at this unique event where local faith groups, heritage and community organizations will share their experience, concerns and creative solutions to the challenges confronting places of faith in Winnipeg in an interactive and engaging format.

Afternoon breakout sessions topics include Governing for Change Management and Flexibility, Community Engagement Strategies, Space Sharing Models, and Sustainable Facility Management.

Building Audit Session: Want to spend more time learning about how to make your place of faith more sustainable and energy efficient? Join us on the afternoon of Friday November 2nd for this in-depth session! *(optional session included with Saturday registration).*

RSVP for this optional session to nationaltrust@nationaltrustcanada.ca, or complete the form on the back of this page.

To register online, visit <http://regenerationworks.ca/events/>

To register by mail or in person, please complete the form on the back of this page.
